

Over many years, members of Unity have attempted to establish a Unity Endowment. A lot of research and good work went into each attempt. In 2015 another Endowment Committee was formed which built off of that previous work and established the parameters for Endowment Board policies and investment guidelines. In early 2016, the Session approved new Policies & Procedures and an Investment Policy Statement enabling seven Board members to implement the documents through education and promotion of current and estate donations.

The current board is truly grateful to all of the people, past and present, whose efforts have contributed to the current Endowment Program success.

The entire Unity congregation should be excited about the number of donors and contributions to the Endowment Program in just two years. Please join the Board in recognizing the following people who have made financial commitments by cash, securities or through beneficiary designations in personal wills, trusts, bank accounts, life insurance and IRA accounts. Our current balances are: \$114,769 in investable cash and over \$426,006 in planned or future estate gifts. Because of these generous donations, the Board is pleased to make its first distribution of \$6,450 to five different Unity ministries which are listed on the other side of this page.
