## **Weather Policy:**

In the case of inclement weather, an email will be sent out to notify families of cancellations or delays. If Sunday morning activities are canceled, evening activities will also be canceled. You can also find information about cancellations and delays on our website. Please be reminded that the geographical area of Fort Mill can include a variety of weather conditions and use caution when deciding to drive to or from the church. When in doubt, just stay home!

---

## **Dinner:**

All year long, **dinner will be served from 6:00-6:45 pm** in Fellowship Hall. During **Regular Youth Group**, the cost for dinner is by donation (suggested donation is \$3-5 per person). Dinner is provided by parents and church members, and the money is used to reimburse families or to supplement our meal fund if they choose not to be reimbursed. Reservations are not needed.

## **Year of the Bible: Reading Scripture Together, Binding Us in Unity**

During 2018, we plan to make reading scripture, which is the cornerstone of our Christian faith, a special emphasis. The Bible is basic to our faith and has sustained millions and millions of people throughout their lives. Yet many people say they do not know the Bible very well. We hope to change that next year! The Session has adopted a program that we are calling *The Year of the Bible*. The centerpiece for the program is a challenge to everyone in the congregation *to read the entire Bible in one year!* We will be providing help and guidance as the year progresses. A group of High School Youth will be forming to meet once per month to review and consider the readings for that month. More information will be available December 1.
