## TESTIMONIAL 2

June 21, 2017

I moved to Fort Mill in 2010, because of a job change that brought me to the Charlotte area. After being here a year, I was laid off and had to do some serious research to establish my true financial status. My financial advisor worked closely with me, and introduced me to a simple way to ensure my family could cover the costs to close my estate when I die, and still receive an inheritance. The solution was a Universal Life insurance policy with a very substantial death benefit – the best part is that the premium is paid once annually from my IRA, so I pay nothing out of pocket, and the funds from the death benefit are tax-free.

Since becoming a member of Unity, I've had many opportunities to serve our church and congregation. To show my gratitude for the blessings I've received, I recently updated my policy to include Unity Presbyterian Church as a primary beneficiary. Making the change was as simple as submitting a change of beneficiaries' form to the insurance company. Now, Unity will also receive a share of my estate.

John
