### For Students:

I, \_\_\_\_\_, commit to being a part of the Confirmation Journey 2017-2018. I will attend class and other Confirmation events to the best of my ability. I will work with my family to create a schedule so that Confirmation and the church can be a priority in my life. I will honestly and faithfully question, challenge, discuss, and consider my faith, not simply as an extension of my parents' faiths, but as a declaration of my own. I will be thoughtful and respectful toward my peers, teachers, and sponsors.
