Since 1788...

*United in Christ's love,
we glorify God through worship,
nurture, and service to all people.*

MESSAGE FROM THE PASTOR

Dear Friends,

I am writing this note to you two days after returning from a trip to Augusta, GA to assist with recovery from Hurricane Helene and as Hurricane Milton bears down upon Florida. In the midst of these challenging days, many wonder what we as individuals and what we as the church can do to help. I hope that you will see the article in this newsletter, as well as information on the website and in the bulletin about how you can join Unity's response.

However, serving in Augusta on Monday provided me with several important reminders:

1. The kind of service that we want to provide may not always be the most helpful to those seeking to recover from a disaster. When I initially offered to organize a group to go to Augusta, I knew 70-80% of trees had fallen, so I thought chainsaws and yard equipment would be most helpful. And yet, the day before we went, we learned that a real need was to provide childcare for the children of two families, so their parents could begin cleaning out damaged rooms, take laundry to be washed, talk with insurance adjusters, and just have a brief break from the demands of parenting in the midst of a disaster. We did some cleanup and that was good and important work, but what was most needed was not necessarily what I planned to do.
2. Making connections and relationships provide a sense of hope. The church's pastor announced in worship on Sunday that we were bringing a team. It was a reminder that others cared about them and sought to help. Even for those whose houses we were not able to visit or who did not have work that we were equipped to do, a sense that someone cared made a difference. Being able to talk with and hear stories from those who had been affected by the storm allowed them to express their fears, their frustration, and their relief. Building those relationships makes a difference as opposed to just providing a momentary handout.
3. Disaster recovery is not a short-term commitment. Seeing the destruction these huge trees caused, driving for miles down a road with piles of logs and debris 15-20 feet high, navigating around and over power and utility lines, reminded me that efforts to help will be needed for months and years to come. As the next disaster strikes and the news crews move on to other stories, it is easy to forget. Also, the needs will change as some initial needs are met and new needs emerge. So, we seek to prioritize efforts that will last and the relationships that will sustain recovery work for long days ahead.

Thank you for your generosity, your care, and your impulse to help in both immediate and sustainable ways. It is inspiring to see Unity being the hands and feet of Christ in this moment, especially as you continue your generosity and care in so many other ways (like Sharing God's Bounty) for families in need in our own community.

See you Sunday!
Matt

HURRICANE RESPONSE - GIVE. ACT. PRAY.

Recognizing there are immediate needs to be met and that recovery from natural disaster is a long, long process, the Outreach Ministry Team of Unity Presbyterian Church encourages our members to respond in three ways:

- **GIVE** - Direct monetary donations to organizations committed to meeting immediate needs and long-term recovery. Often donations can be shared with local organizations that allow money and resources to begin rebuilding local economies.
 - **UNITY Youth BBQ Proceeds** - On Saturday, October 26 at Youth BBQ pickup, all money raised from sales of and donations for desserts, baked goods and other items will be given to recovery efforts in Montreat and Black Mountain, NC.
 - **Presbyterian Disaster Assistance** - is on the ground responding to the many urgent needs following the destruction Hurricane Helene left in her path. <https://pma.pcusa.org/donate/make-a-gift/gift-info/DR000169/>
 - **Appalachia Service Project** - meeting immediate needs and mobilizing volunteers to serve with long term recovery efforts in counties affected by Helene. <https://asphome.org/helpafterhelene/>
 - **Unity Presbyterian Church** - For those most comfortable giving through Unity's REALM system, visit <https://onrealm.org/unityfortmill/-/form/give/default> and select Disaster Relief Fund.
- **ACT** - In addition to monetary donations, hands on action makes a difference:
 - Unity will be assembling 50 **Cleanup Buckets** for Presbyterian Disaster Assistance on Sunday, November 10 after the 11 AM worship service. If you would like to donate items for the buckets, you can use this [Amazon Wish List](https://www.amazon.com/hz/wishlist/ls/1SISWY4BKOSX2?ref=wl_share) (https://www.amazon.com/hz/wishlist/ls/1SISWY4BKOSX2?ref=wl_share) and have items sent to the church. If you would like to purchase items on your own, please check the list for correct items and sizes as these are the only things we are able to include in the buckets.
 - We will be organizing **Work Trips**, both day long and overnight, to Augusta, GA; Spruce Pine, NC, and potentially additional locations as we learn of needs and projects. For those interested in participating, sign up via REALM by searching for "Hurricane" under serving opportunities. [Click here for instructions.](#)
- **PRAY** - While "thoughts and prayers" are sometimes dismissed as an attempt to deflect actions, the thoughts and prayers of the faithful are an act which draws us closer to God and compels us to be at work in the world. May we pray without ceasing for God's providence and care.

With questions, ideas, suggestions, or other thoughts, please reach out to Dr. Matt, Pastor Molly, or a member of the Outreach Ministry Team.

SHARING GOD'S BOUNTY

During October, your support is needed as we begin our annual nonperishable food drive, Sharing God's Bounty, benefiting the Fort Mill Care Center. The Fort Mill Care Center will use our donated items to provide Thanksgiving meals for Fort Mill families. The items requested by the Care Center include the following: grits, pancake mix, boxed mashed potatoes, stuffing, canned fruit, canned vegetables, cranberry sauce, gravy, pie crust mix, pie fillings (cherry, pumpkin), and evaporated milk. Please bring an item or two any time you are on campus during October. Your donations can be added to the display down the hall from the Narthex or drop them in the donation boxes in the Fellowship Hall, Church Office, and Preschool Lobby. Thanks in advance for your support of this outreach ministry.

GC'S CLEAN-UP BUCKETS ARE HELPING HURRICANE SURVIVORS

Last winter, the Growing Christians, our 4th and 5th graders, invited the congregation to help them collect items for clean-up buckets for Presbyterian Disaster Assistance. With the congregation's support, the GCs put together more than 34 buckets full of cleaning supplies for those who have experienced a natural disaster. Each bucket contains between \$85-100 worth of cleaning supplies. We watched a video from PDA about a flood that occurred some time ago in Eastern Kentucky.

We learned that flood waters can make a BIG MESS that needs to be cleaned up when the waters recede. The buckets we packed were sent through Charlotte Presbytery to a PDA warehouse so they can be distributed as soon as a disaster occurs. With all the flooding in Western NC and Eastern TN recently, we are sure the supplies in those buckets are assisting our neighbors in the mountains right now. How can you help hurricane survivors? Our congregation plans to assemble more clean-up buckets so they are always available when a need arises.

See the "Hurricane Response" article on Page 2 for ways to give/donate and how you can help assemble more Cleanup Buckets.

REFORMATION SUNDAY

On Sunday, October 27th at the 8:45 AM and 11 AM Worship Services, Unity will mark Reformation Day with a unique service using liturgy and prayers from the Protestant Reformers. It's also a day we are encouraging everyone to wear their Unity tartan or family tartans. We look forward to remembering our history and our challenge to be a "church reformed, always being reformed."

SALE OF UNITY TARTAN ITEMS

As part of the 235th anniversary last year, Unity commissioned its own unique tartan and produced a variety of items for purchase. If you missed purchasing something last year or discovered you needed a new tie, bowtie, bag, coaster, or scarf, various items will be available for sale in the narthex after the 8:45 AM service and before and after the 11 AM service on Sundays, Oct. 13th and 20th. Then be sure to wear your tartans for Reformation Sunday on Oct. 27th.

UNITY'S HISTORY - AN INTERACTIVE TIMELINE

Last year for Unity's 235th Anniversary, the History and Heritage Committee updated our history with an interactive timeline on the website. As we prepare for Reformation Sunday on October 27th, we encourage you to check out this great resource for the historic facts, dates, events, and personal stories: <https://unityfortmill.org/about-us/our-history/>

LOST & FOUND

Have you misplaced an item? It may be in our Lost & Found located in the hallway adjacent to the Sanctuary. Items remaining on October 21st will be donated to Goodwill.

THERE IS NOTHING WRONG WITH ASKING FOR AND RECEIVING HELP!

Receiving help is embracing our humanness. We all go through difficult times and can benefit from the help of others. That doesn't make us weak, just human.

Receiving help shows respect and care for yourself! Support during difficult times is valuable and prevents us from neglecting our own needs.

If you feel that you need a Stephen Minister or know someone who might, please contact one of our referral coordinators, Susan Mobley or Dave Johnson, via email at Stephenministryreferrals@unityfortmill.org or call Rev. Molly Spangler at 803-547-5543.

Did you know that Unity has an email prayer chain? If you would like to receive prayer concerns or have a concern, please contact Dannie Vaughn at vaughndl@comporium.net.

LUNCH BUNCH - OCTOBER 30TH

Our next meeting is **Wednesday, October 30, 2024 at 12:00 Noon**, so please mark your calendar! John Lewis will be back with us again to perform a variety of music for our enjoyment. It is always fun to greet old and new friends and get acquainted with new Unity members. Please bring your sandwich or salad for this entertaining afternoon. Drinks, chips, and desserts are provided. Hope to see you on the 30th!

SANCTUARY OPEN FOR PRAYER ON ELECTION DAY

In the midst of challenging and divisive days in our political world, at Unity Presbyterian Church we are convinced that God has called us to model a different and better way. As the theologian Karth Barth once wrote, "To clasp the hands in prayer is the beginning of an uprising against the disorder of the world." Therefore, the sanctuary will be open on Election Day, Tuesday, November 5 from 8 AM to 6 PM if you would like to come for a moment of personal prayer. A church staff member or volunteer will be there to greet you and sample prayers will be provided. All are invited to clasp our hands in prayer on this important day in our nation.

ALL SAINTS DAY SERVICE ON NOVEMBER 3

The church has long marked All Saints Day on the Sunday closest to November 1. At both worship services on November 3rd we will remember All Saints with a special service of music, scripture, prayer, and communion. In this service of memory and hope, we will remember each of the members of Unity Presbyterian Church who have died in the past year as we both acknowledge the pain of loss and celebrate the good news of resurrection in which we stand. We hope you will be able to join in worship and in memory on this important day.

This 6-week adult Sunday School class will meet Oct. 20 through November 24 at 10:00 a.m.

- *Do you want to know the Bible better, but you don't know where to begin?*
- *Have you tried reading the Bible but found it overwhelming and hard to understand?*
- *Do you hold back from attending Bible studies or classes because you think you'll be embarrassed by your lack of Bible knowledge?*

If you feel at all like that, this is the perfect class for you!

No prior Bible knowledge required. No embarrassing questions (although you can ask all the questions you wish). Just a solid introduction to how we got the Bible, the message of the Bible, and how to study the Bible on your own. Here's what we'll cover:

The Book (Weeks 1 and 2):

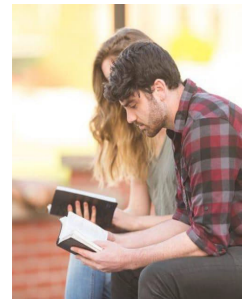

- Oct. 20 **“Meeting the Bible As If for the First Time”** (a very basic overview of the Bible: its purpose, structure, and types of literature; biblical translations and choosing a Bible for yourself)
- Oct. 27 **“How We Got the Bible”** (how the Bible was written, compiled, and transmitted from its day to ours)

The Message (Weeks 3 and 4):

- Nov. 3 **“The Old Testament in 7 Sentences”** (a summary of key events and themes in the Old Testament, including a timeline)
- Nov. 10 **“The New Testament in 7 Sentences”** (similar to the previous week, but looking at the central events and themes in the New Testament)

The Practice (Weeks 5 and 6):

- Nov. 17 **“How To Study the Bible for Yourself”** (an introduction to studying the Bible; foundational principles for interpretation; resources for further study)
- Nov. 24 **“How To Hear God in the Bible”** (the Bible is the Word of God and God speaks to his people through the Bible, but often we struggle with hearing God; we'll look at how we can hear God better in the Bible, as well as how the Bible gets misused) Led by retired pastor Steve Simon, who once had to use his Bible's Table of Contents to find the Gospel of John— true story! Come and share in the joy of learning about God's Word with us!

DONOR ADVISED FUNDS

WHAT IS A DONOR ADVISED FUND?

A donor-advised fund (DAF), offers a unique giving opportunity. It is especially appealing to individuals who are interested in staying involved in the giving process.

It is like a charitable investment account, for the sole purpose of supporting charitable organizations you care about. When you contribute cash, securities or other assets to a donor-advised fund, you are generally eligible to take an immediate tax deduction. Then those funds can be invested for tax-free growth and you can recommend grants to virtually any IRS-qualified public charity, including churches.

HOW DOES A DONOR-ADVISED FUND WORK?

Make a tax-deductible donation

Donate cash, stocks or non-publicly traded assets such as private business interests, cryptocurrency and private company stock to be eligible for an immediate tax deduction. Appreciated assets may be deductible at the current fair market value and will bypass capital gains tax liability.

A contribution to a donor-advised fund is an irrevocable commitment to charity; the funds cannot be returned to the donor or any other individual or used for any purpose other than grant-making to charities.

Grow your donation, tax-free

Your donation can potentially grow over time with no tax consequences for you, making available even more money for charities. Most investment organizations have a variety of investment options from which you can recommend an investment strategy for your charitable dollars.

Support charities you love, now or over time

You can support virtually any IRS-qualified public charity with grant recommendations from the donor-advised fund—including Unity Presbyterian Church.

Easy, no cost way to change charitable beneficiaries

Although the assets in the DAF cannot be removed, you control their distribution during your lifetime and can name and change any residual balance without the help of an attorney, as you would with a will or a trust.

Your financial or tax advisor can help determine if this fits your financial situation.

DOES YOUR EMPLOYER SPONSOR A CHARITABLE DONATION MATCHING PROGRAM?

What are employee matching gift programs? Employee matching gift programs are corporate giving programs in which the company matches donations that employees made through payroll deductions to eligible nonprofit organizations. It's an easy way to double your charitable contributions.

How do I request a matching gift? Requesting a matching gift is normally a five-minute process which must be initiated by the donor. This is typically accomplished online via your employer's Human Resources or Payroll Department's website. Some employers still use a paper process. Your Human Resources department can assist you with understanding your employer's process.

Your financial or tax advisor can help determine if this fits your financial situation.
