

Instructions for Completing Your Stewardship Form

1. Scan the QR code below to open the online form or locate the paper form in your packet.
2. **Pray.** Spend some time in prayer; ask God to guide your decision making as you complete this form. Pledge to pray for the mission and ministry of Unity Presbyterian Church this year.
3. **Financial:** The next pledge on the form is for money. Consider your allowance and any money made at your job. How much would you like to give to share God's love with the world? Maybe you could commit to giving \$5, \$10, or \$20 a week? Maybe you could give a percentage of your allowance or income?
4. **Discipleship:** The next pledge on the form is for time. These are opportunities for you to grow in faith through activities in our church. Consider what ways you are already participating in discipleship activities in our church and make sure to check those if you want to continue. Then look at the other opportunities available for your age and decide if there are one or two more opportunities to add. If you have questions about these opportunities, please contact Liz Corsig. Consider what is realistic and reasonable for your family, especially if transportation is required.
5. **Service:** The next pledge on the form is for talents. These are opportunities for you to serve others by helping with things in our church or community. Consider what you are good at and what gifts you have to share with the church. Look over the list of opportunities listed and consider what you are already doing and whether you'd like to continue to serve in that ministry. Read the descriptions online to see what is realistic and reasonable for your family, especially if transportation is required.
6. **All your information:** Make sure that your name and information is correct on the form. Please include the best email and cell phone number for a ministry leader to use to contact you. When you are finished, initial the form to indicate that you will commit to maintain these pledges. **Submit the digital form online or bring the paper copy with you to worship on Commitment Sunday on March 30.** We will also have a box available in the office for forms if you will not be in attendance that Sunday.
